

JUNIPER & APPLES

Ingredients: (per drink)

1 handful of juniper berries

1 pinch of pine needles

10 cl apple juice

Around 6cl tonic

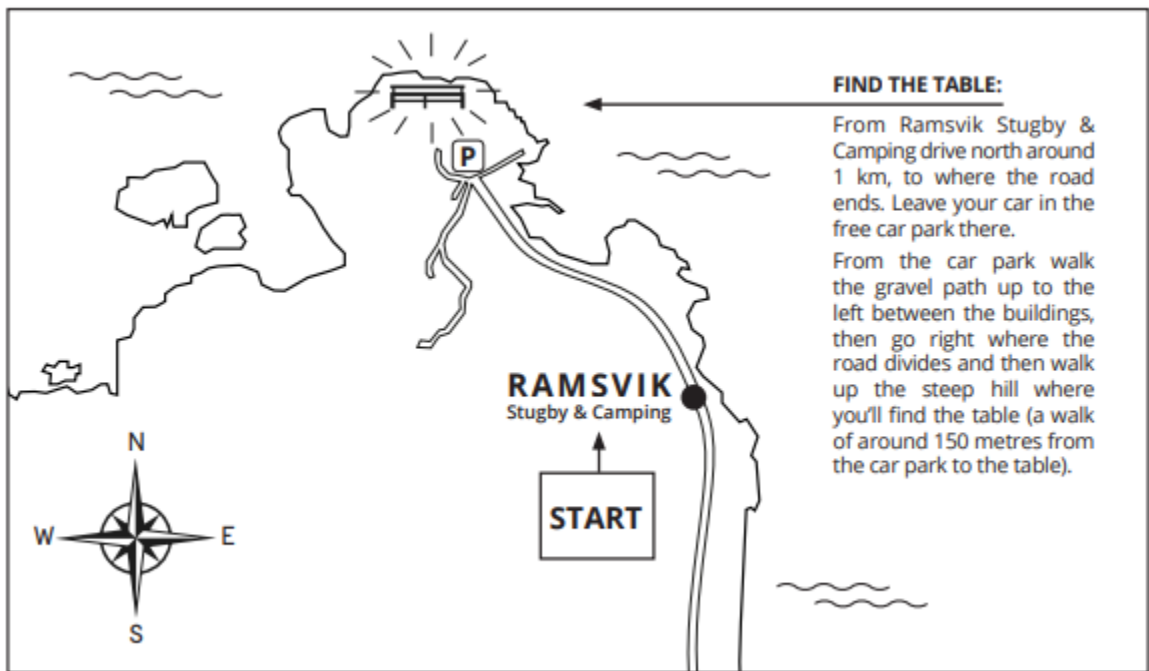

You will also get tips on where to find juniper berries and pine needles to add to your drink.

Preparation:

- Put a pinch of pine needles in a jar/shaker
- Add a handful of juniper berries
- Muddle the ingredients or bash with a mortar
- Pour over 10 cl apple juice
- Stir well
- Sieve the contents into a highball glass
- Fill with ice
- Top up with tonic

Optional: garnish with a sprig of pine needles and add some gin.

THE DRINKABLE COUNTRY

Is an extension of The Edible Country which was launched in 2019. With The Drinkable Country Sweden is inviting everyone to experience Swedish nature while enjoying world class drinks. At Ramsvik you can savour a good drink with local snacks while you watch the sun set.

PRACTICAL INFORMATION

There's a dry toilet in the car park (around 150 m from the table), and more toilets at Ramsvik Stugby & Camping.

RAMSVIKSLANDET

Right now, you are on Ramsvikslandet – one of West Sweden's most popular nature reserves. The area covers a little over 2700 hectares and is characterised by wide open rocky landscapes, moorland and small patches of deciduous woodland.
